

Winsford Gardening Club

Meeting Themes (subject to change)

January	Planning the gardening Year What to grow in the coming year Starting seeds indoors vs outdoors Seed Swap Seed order – club bulk order more cost effective?
April	Getting Growing Preparing seeds
May	Growing fruit and vegetables At Derek's Cutting swap – members bring labelled, rooted or freshly prepared cuttings
May/June	Hanging baskets and containers Workshop – make your own hanging basket/container
July	Summer colour and propagation Make more plants for free Cutting swap from favourite shrubs
August	Trip out to a garden (car share)
September	Plant Spring Now Bulb selection and planting Spring bulbs bulk club order Plant swap *Club bulb order
October	Put the garden to bed without putting it to sleep Collect seed Divide perennials Autumn cuttings Winter Protection Review the year's gardening

These are suggested themes, we will still have the regular slots each meeting for questions and answers, jobs to be done this month etc and members can add anything they wish to the agenda and we'll add an Any Other Business item.
