Hymn

Let us together unite with our voices

Here in our church as we worship and pray;

This is the time when each Christian rejoices

That Jesus rose on the first Easter Day.

Buds on our trees breaking out from their sleeping,

Larks making music from Padstow to Fowey;

Was there a bird song where Mary stood weeping

Till her great sorrow was turned into joy?

Bells from our towers make us glad by their ringing,

Now we have come in God's presence to say

Thank you to Him through our prayers and our singing,

For Jesus lives, and is with us to day

Hymn

And did those feet in ancient time

Walk upon England's mountains green:

And was the holy lamb of God

On England's pleasant pastures seen!

And did the countenance divine

Shine forth upon our clouded hills?

And was Jerusalem builded here

Among these dark Satanic mills?

Bring me my bow of burning gold;

Bring me my arrows of desire:

Bring me my spear: o clouds unfold!

Bring me my chariot of fire!

I will not cease from mental fight

Nor shall my sword sleep in my hand:

Till we have built Jerusalem

In England's green & pleasant Land
