Winsford 100 Club – Annual Subscription 2026

Hello to all our existing members and supporters, and a very warm welcome to those who are new to the Parish and to the 100 Club.

It's that time of year again when Trustees and helpers of the WRA will be collecting annual subscriptions for the Winsford 100 Club. The subscription remains **£15 per person/draw number**, which enters you into the next **12 monthly draws**.

- **10 regular draws** with total prize money of **£70**
 - 1st: £30, 2nd: £20, 3rd & 4th: £10 each
- **2 bumper draws** in **December** and **June**, totalling **£210**
 - 1st: £100, 2nd: £50, 3rd: £30, 4th: £20 and 5th: £10

For those new to Winsford, the WRA is an independent registered charity responsible for managing and maintaining the village's recreation facilities. Your 100 Club subscription not only enters you into the monthly draws but also contributes significantly to the running costs of these shared spaces, covering essentials such as insurance, water, electricity for the **cricket pavilion**, cleaning & maintenance of the **tennis courts** & hedge trimming around the recreation fields used by **dog walkers**, the **Village Fete** & the **Cricketers**. This support helps ensure that the facilities remain well maintained and available for everyone in the community to enjoy.

The WRA doesn't just look after the recreation facilities – it also runs several functions a year for everyone's enjoyment including a **Halloween** pumpkin carving competition, a Christmas visit by **Santa**; **Skittles & Duck** racing on the Green; **musical entertainment** in the village hall as well as other functions. These events provide fun for everyone in the parish as well as raising funds to cover larger, one-off maintenance costs for the recreation facilities. All funds raised are used solely for charitable purposes.
